pages

A screenshot of a file export dialog box. The dialog has a light gray background and a thin black border. At the top, it says "File Format:" followed by a dropdown menu showing "PNG" and a blue arrow icon. Below this are two radio button options: "Save Every Slide" (unselected) and "Save Current Slide Only" (selected). At the bottom, there are two input fields: "Width: 2048" and "Height: 1536".

File Format: PNG

Save Every Slide

Save Current Slide Only

Width: 2048 Height: 1536

Sales Builder Pro

Management portal

- Presentation

The screenshot displays the 'Presentation' management interface. At the top, a header bar contains the title 'Presentation', a help icon, and buttons for 'Manage' and 'Upgrade'. Below this, a sub-header reads 'Click **Manage** to View, Organize, Add, or Remove thumbnail images and presentation **attachments**'. The main content area is titled 'Why Choose Us?' and features a list of items under the heading 'A Company You Can Trust'. The items are: 'Our Company', 'Company Charity', 'Our Credentials', and 'Company PPT'. The 'Company Charity' item is circled, and an arrow points to an 'Edit' modal window. This modal has three sections: 'Display Name' with a text input field containing 'New Item' and a 'Save' button; 'File' with radio buttons for 'View Current', 'Upload File', and 'Use Web Link', and a 'Choose File' button; and 'Thumbnail' with radio buttons for 'View Current' and 'Upload File', a 'Choose File' button, and a 'No file chosen' status. A 'Cancel' button is located at the bottom right of the modal. A 'File' sidebar is visible on the right side of the modal.
