Built to help you win jobs

Grow your business with **tailored financing solutions** that allow you to offer affordable payment options to customers.

The Benefits of Upgrade

Funding Directly to You

Once approved, you'll receive payment to your bank account to purchase materials or pay staff.

Know Before You Go

Save time with our financing pre-approval screener before an appointment.

Reporting

Monitor the progression of projects financed through Upgrade with a convenient dashboard.

Contractor Rewards

Earn rewards for offering consumers financing through Upgrade.

Expanded Approvals

Offer financing opportunities for customers with non-traditional income sources outside of FICO.

Scalable Business Tool

Count on our platform to support your business as it grows with increases in customers, staff, or locations.

Dedicated Support

Count on dedicated account support and a US-based customer support line for ongoing questions or needs.
